Hey there!

Are you ready for a great Summer?

Don't let the season go by...

Wear the dress. Take out the bikini.  
Prepare the lemonade. Visit the beach.

Do whatever you need to do to make this summer count.

It doesn't have to be a big thing (although it can).

It can be a bunch of little things.

Embrace the weather. Wear the clothes. Do the activities.

It's here. Enjoy it!

...and here are some tips and items to look fabulous!

*xoxo*

# SUMMER TIPS

01.

## MAINTAIN YOUR TAN

Got a great tan? Make it last longer by putting on lotion every day (One with aloe vera, even better!). Also it will prevent any peeling.

02.

## HYDRATE

Remember the heat is on and you need to up your water intake to keep yourself hydrated! This will help you maintain a clear complexion, healthy skin, avoid cramps and headaches, and stay clear minded.

03.

## PLAN AHEAD

Decide what you want to do this Summer. Make a list of things you would like to do this summer and start including them in your calendar. If you want to make it happen, you have to schedule it!
